Agenda: Come and learn how to go from a state of disrepair to shovel ready by finding the funding you need.

Join fellow utility decision makers for an afternoon presentation on public financing options.

- Find out what kind of funding is available.
- Hear from representatives of various funding agencies.
- Connect with the people who can help you with your funding needs.
- Gain understanding of the process by hearing the story of one system's journey.
- Learn how to get started.

This gathering is for the administrators of municipalities, community based non-profit corporations and cooperatives.
