Agenda: This class is directed towards water and distribution system operators. The objectives of this course are:

1. How line locating and leak detection equipment works
2. Terminology and theory
3. How to conduct a water audit
4. How to locate plastic lines
5. How to identify leaks
6. How to use a common sense approach to eliminate false positives
7. Discussion and display of the latest technology

The hands-on portion is outside (80% of class), so please dress accordingly!

Registration: There are three ways to register: register and pay on our website: www.granitestatewater.org. Fill out this form and mail it with your payment to GSRWA, PO Box 596, Walpole, NH 03608; or fill out this form, request to be billed and fax it to (603) 756-3675.

Cancellation Policy: If you need to cancel, please contact GSRWA in writing at least three business days prior to the day of the course, or be charged a \$30 late cancellation fee. If you do not attend the course and do not contact GSRWA, you will be charged a "No Show" fee equal to the original course registration fee. The No Show fee is non-refundable and non-transferable. Written request for refunds/credits will be considered for special circumstances provided that the request is received within two weeks of the training date.

PAYMENT MUST BE RECEIVED IN FULL PRIOR TO CLASS. NO WALK-INS PLEASE.

Any Questions, please call (603) 756-3670 x 4.
Note: Please refer to our website for the most current information.
