

Calling all Water & Wastewater Operators, Superintendents and Engineers....This advanced, HDPE-oriented, FREE show is for you

HDPE Pipe Total Solutions Roadshow

Tuesday, April. 23rd, 2019
7:30 AM – 1:30 PM

Sponsored by

RSVP <http://www.pepipe.com/roadshow>

Program

Location

Keene Ice House
Blastos Room
350 Marlboro St.
Keene NH 03431

- Bagels/Coffee at 7:30 AM
- Official Program begins 8:15 AM
- PDH's for engineers
- CEU's (.35 CEU's) Water + WW operators
3.5 contact hours – NH WW = .35 CEU's
3.5 contact hours – NH Water TCHs .35 CEU's
- Catered Lunch
- Win an iPad
- Access to national HDPE experts

Sign-In and Demonstrations	7:30 AM
HDPE 101 Performance Features	8:15 AM
HDPE 204 Installation	9:45 AM
HDPE 302 Engineering Design	10:45 AM
Or	
HDPE 307 Fusion, Repair, Fittings	10:45 AM
Lunch with Raffle	11:45 AM
Municipal Case Studies	12:30 PM
End	1:30 PM

ALLIANCE FOR
pe pipe 

High-Density Polyethylene (HDPE) Pipe Total Solutions Roadshow and Expo

Agenda and Expo Guide

This excellent educational venue will provide both the beginning and experienced pipe user what they need to know to use HDPE with confidence.

What have attendees said about the Alliance's Total Solutions Roadshow?

"Your roadshow was an excellent effort to increase the understanding and acceptance of your product." ~ Martin D. Worden, P.E. Site Engineering Services, Milwaukee

"...about as good a seminar as I have ever attended." ~ Consulting Engineer, Dallas Texas

HDPE 101 "Features and Benefits"	Features and benefits of HDPE Pipe including: leak free, flexible + lowest life cycle cost.
HDPE 306 "Case Studies"	Manager confidence in the process is fundamental. Learn how other municipalities have adopted HDPE into their cities.
HDPE 301 "An Engineer's View – In Depth"	Detailed information on formulas, behavior, surge calculations, Manning coefficient, water hammer, C-factor + pipe comparisons.
HDPE 204 "HDPE Installation – The 5 Methods"	All of the most common HDPE pipe install methods explored in detail + lessons learned.
HDPE 307 "Fittings and Repair"	An important session for field staff, this presentation covers field knowledge and practical tips on use of HDPE in the field
Go Pro Cameras + Video	Fusion Demonstrations use technology to enhance experience + understanding
Parts, Connections, Fittings, Transitions	Connections, Fittings & Transitions, molded and prefab fittings on display
Fusion: Butt, Electro, Saddle, Socket	Live Fusion Demonstrations and Training
Resource Center How to Design for and Use HDPE	Market Availability, Resin features, Timing, Standard Products and Processes.
