

## **Power Source Protection: Diesel Fuel Management**

A 2 TCH Webinar

**Date:** Tuesday, October 6, 2020

**Platform:** Zoom Meeting Webinar

**Time:** 9:30am – 11:45am (*Please log in before 9:25am*)

**Credit:** 2 TCH's will be awarded to those who attend 100% of the course.  
NH DES water and wastewater credit approved.

**Cost:** **\$28 members / \$36 non-members**

**Instructors:** Michelle Hilger (Powers Generator)

### **Agenda:**

This course takes a deeper dive into fuel surveillance programs and how understanding diesel fuel specifications can impact your power system's performance and reliability.

You will learn the ins and outs of fuel sampling, polishing, additives, and treatment and how it all relates to you and your facility.

**To Register:** Please visit our website [GraniteStateWater.org](http://GraniteStateWater.org) and click on the training page under the service tab. **Please sign-up before 10:00am one day prior to class.** Attendees will receive an email with a link to the meeting one day prior to the class.

**IMPORTANT** – Do not mail in registration. Please email [Heidi@granitestatewater.org](mailto:Heidi@granitestatewater.org) if you need help with signing up.

**For Further Assistance:** Please email [info@granitestatewater.org](mailto:info@granitestatewater.org) or call 603-756-3670.

**ALL ATTENDEES MUST SIGN UP PRIOR TO JOINING THE WEBINAR.**
