JOB ANNOUCEMENT

Wastewater Specialist

GSRWA, a nonprofit statewide membership organization, is dedicated to supporting water and wastewater utilities through onsite technical support, training classes, and legislative representation. GSRWA was incorporated in 2005 and is a member of National Rural Water Association.

Position: Wastewater Specialist

Location: New Hampshire. Work from home with travel throughout the state.

Hours: Full time, 40 hours per week

Schedule: Monday – Friday; some flexible hours

Compensation: Starting salary range is \$65,500 - \$69,500 commensurate with experience.

This is a combination of \$56,000 - \$60,000 merit pay plus \$9,500 in lieu of health insurance.

Benefits include 7% matching 401K plan, paid time off, and life/disability insurance. Health insurance is not offered.

Job Description: To provide innovative compliance assistance to small wastewater systems through: one-on-one training to operators and stakeholders, in-the-field technical assistance, spearheading large asset management projects, connecting systems to funding opportunities and guiding them through the application process. This position will support GSRWA's mission: "To provide its water and wastewater members with professional technical assistance, training, legislative representation, and liaison with agencies through its state and national programs"

Qualifications: A minimum of some continuing education beyond high school. The ideal candidate has earned a bachelor's degree in a field related to environmental science. Beneficial skills and/or experience in: wastewater treatment and collection, applying for grants, and small utility management.

More Information: To learn about GSRWA visit our website at GSRWA.org ; and to see this posting click on our "We're Hiring" tab.

To Apply: Submit both cover letter and resume by emailing info@granitestatewater.org.
